Aprilia Accessories

What does your scooter mean to you? An essential means of everyday transport? A means of getting away from it all at weekends, or a great companion for both commuting and touring? However you use your scooter, Aprilia's accessories collection has the perfect answer to all your needs. Aprilia accessories are **elegant**, the perfect match for your scooter's stylish looks, and guaranteed **safe** thanks to the use of materials that afford maximum protection. Extensive static and dynamic testing also ensures that Aprilia accessories do not affect the stability of your scooter. Aprilia accessories are made with the same philosophy that inspires all Aprilia scooters and the same high quality that convinced you to choose one.

Leg cover

Techno Tourer is the brand name for Aprilia's range of clothing and accessories, a range specially conceived for riders determined to use their scooters to the full, characterised by high-tech materials and innovative functional solutions.

Accessories 500 Scarabeo

Panniers (with mounting racks)

These panniers come with a practical quick fit and release system and are elegantly finished with lids painted to match your scooter's original colour scheme, because functionality and style go hand in hand at Aprilia. Carrying capacity is also generous at 25 litres per pannier.

Tunnel bag

The Aprilia tunnel bag provides a generous 50 litre carrying capacity and features a practical fitting system with two fasteners on your scooter's platform. Made from high strength nylon complete with a rainproof outer bag. Leaves you complete freedom of movement.

Pannier inners

These functional, practical and easy to remove Techno Tourer inner bags fit neatly inside your panniers to make load carrying simpler than ever.

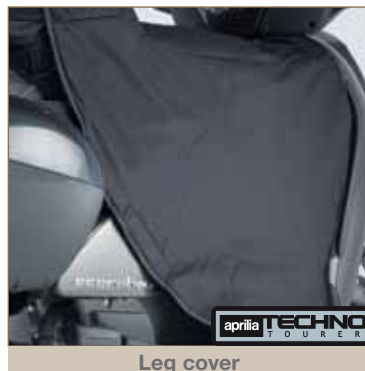

Leg cover

This leg cover is specially designed for the Scarabeo 500. Conceived for comfort and specially manufactured with safety in mind. Conventional straps have been eliminated in favour of Velcro fasteners for maximum freedom of movement. Excellent insulation thanks to high quality materials that combine lightness with total impermeability. With its closed cell and Lycra body material, the leg cover adapts perfectly to riders of all heights.
